### WINTER SAFETY

- Ski or snowshoe in **GROUPS**. Always tell someone your route, destination, and expected return time
- Carry extra clothing and dress to prevent hypothermia
- Be prepared for sudden changes in the weather or snow. Conditions may vary considerably throughout the day and with elevation.
- Take the following essential winter gear on any excursion: water in an insulated bottle, high energy snacks, first aid kit, extra clothing including a hat and gloves, sunscreen and sunglasses, map and compass, flashlight, and a repair kit
- For safe wildlife viewing, keep your distance and never approach. Stay 25 yards from moose, bison, and elk, and at least 100 yards from bears, wolves, and mountain lions.

### WINTER DRIVING

Our roads are frequently covered with ice or hard-packed snow, and winter storms create white-out driving conditions. To stay as safe as possible, follow these precautions:

- Drive below the speed limit as conditions warrant
- Watch for wildlife on the roadway
- Snowstorms can occur at any time; be prepared for changing weather conditions
- Roads may close at any time for visitor safety
- Always wear your seat belt

### NEED A RIDE TO/FROM THE AIRPORT OR TOWN?

We offer scheduled shuttles to and from the Wort Hotel every day, as well as airport shuttles upon request. Please make

reservations with the front desk at extension x8120.
